1. Event Overview

- **Event Name:** InfoSec Club Orientation & Recruitments
- **Date of Event:** October 6, 2026
- **Venue:** Deeksha Sabhagar
- **Organized by:** InfoSec Club, MNIT Jaipur
- **Coordinators:** Swarnim Agrawal (2023UEC1009), Aastha Rathore (2023UEE1499), Kashvi Gupta (2023UCP1581), Shivam Singh (2023UAI1819)

2. Introduction

The orientation was designed to introduce students to a community of cybersecurity enthusiasts dedicated to learning, building, and defending together. The primary objective was to create a strong, skilled, and aware cybersecurity community on campus. The event also served to kick off recruitments for various club teams.

3. Event Highlights

- **Description:** The session featured insights from Former General Secretary Himanshu Kushwaha, who shared his personal journey, insights into Cybersec in India, and a cybersecurity roadmap.
- **Activities:**
  - The club's goals were outlined, including conducting regular hands-on workshops and participating in Global CTFs.
  - Past successful events were showcased.
  - A live quiz was conducted for the attendees.
  - Recruitments were officially announced for four core teams: Ideation, Marketing & Finance, Technical, and Editing/Design.

6. Sponsorship

- **Sponsorship:** None specified in the event documentation.

7. Feedback and Suggestions

- **Participants' Feedback:** Attendees engaged actively with the QnA session and the live quiz. The detailed roadmap and insights from senior alumni provided clear direction for freshers interested in the field.

8. Good Quality Photos/Videos

Photographs of the speakers and audience engagement were taken for club documentation.
