2. Introduction

Event Overview: Event Overview:

The CD ART CONTEST provided a fun and innovative platform for students to transform CDs into vibrant pieces of art. By repurposing discarded materials, the event encouraged creative experimentation and sustainable crafting, while creating an energetic and interactive environment among participants.

Event Theme:

Focused on recycling and artistic expression, the theme celebrated turning everyday waste into meaningful artwork. Students were invited to explore colors, patterns, and imagination on reflective CD surfaces, showcasing creativity through unconventional canvases.

Objective:

The objective of the event was to promote eco-friendly art practices while enhancing students' creativity, painting skills, and confidence. It aimed to encourage resourcefulness, artistic exploration, and social interaction, making the experience both educational and enjoyable.

Target Audience:

The target audience were students.

3. Event Highlights

Description: The CD ART CONTEST commenced at 12:30 p.m. with enthusiastic participation from students, and the venue filled up within a short time. Participants created Painting on CDs live within the given time, allowing creativity to unfold in an interactive and engaging atmosphere. The event concluded with the announcement of three winners.

Activities: The event focused on live sketching, where participants showcased their artistic skills through real-time paintings, engaging both the artists and the audience.
