1.Event Overview -

Event Name: Feel the Art

Date of Event: 06/02/2026

Time: 11:00 AM – 1:00 PM

Venue: VLTC 009

Organised by: Limitless Ability Club (Blitzschlag'26)

2. Introduction-

Feel the Art was organized as a creative and unique event during Blitzschlag'26. The event aimed to promote imagination, creativity, and empathy by allowing participants to experience art without visual assistance.

Objectives:

- To encourage creativity and imagination
- To promote empathy towards visually impaired individuals
- To provide a fun and challenging artistic experience
- To enhance expression without visual dependency

Target Audience:

- Open to all MNIT Jaipur students

Description -

Feel the Art was a solo participation event where each participant was required to draw or paint while being blindfolded.

The theme was revealed one minute before the start, and participants were given 30 minutes to complete their artwork using only the materials provided by the club.

Strict rules were followed:

- Blindfold could not be removed during the activity
- No external help or tracing was allowed
- Participants had to submit their artwork immediately after time ended

Participation-

The event witnessed enthusiastic participation from approximately **40–50 students** across various branches and years. Participants showed great creativity and enthusiasm despite the challenge of drawing without vision.

The environment was engaging and fun, with participants enjoying the uniqueness of the activity and actively expressing their ideas through art.

Winners-

1. Jitendra Kumar
2. Navya Sharma (PWD)
3. Virendra Kumawat

Challenges Faced-

- Ensuring all participants strictly followed blindfold rules
- Managing time effectively
- Providing equal materials to all participants

Participants' Feedback:

- Students found the event innovative and enjoyable
- Many appreciated the concept of blindfolded art
- Participants suggested introducing more themes in future editions

Conclusion -

Feel the Art was a successful and engaging event that combined creativity with a meaningful experience. It encouraged participants to explore art from a different perspective.

The event successfully promoted imagination, empathy, and creative expression.
