

EVENT REPORT

1. Event Overview

Name: Glow Dance – The Neon Dance Experience

Date of Event: 7th February, 2026

Venue: MNIT Jaipur

Participation by: Open to All

2. Introduction

Glow Dance was organized as a fun-filled, non-competitive dance event aimed at creating an immersive and electrifying experience for participants. Unlike conventional competitions, this event focused purely on enjoyment, allowing students to dance freely in a neon-lit dark room enhanced with vibrant music and glowing props.

Objective: To provide a lively recreational space where students could unwind, socialize, and celebrate music and dance in a visually captivating environment.

3. Event Highlights

- The event was conducted in the **VTLC Hall**, transformed into a dark room illuminated with neon lights.
- The glowing ambiance created a unique disco-style atmosphere.
- Students enthusiastically grooved to energetic music throughout the session.
- Neon props and glow elements enhanced the visual experience.
- Standaes and a dedicated photobooth were set up for participants.
- Attendees clicked pictures with neon lights and props, adding to the excitement.
- The event saw cheerful participation and a vibrant crowd engagement.

4. Conclusion

Glow Dance emerged as a refreshing and high-energy experience that brought students together beyond the spirit of competition. The neon ambiance, music, and interactive elements created an unforgettable party-like atmosphere where everyone could express themselves freely. The event successfully promoted bonding, relaxation, and cultural vibrancy on campus, leaving participants with glowing memories and smiles that lasted long after the lights went out.
