2. Introduction

Event Overview:

The jute art contest in glass bottles offered a unique hands-on platform for students to explore sustainable art and craft. The event encouraged participants to transform simple glass bottles into creative décor pieces using jute and mixed materials, promoting eco-friendly design while building a collaborative and lively campus atmosphere.

Objective:

The objective of the contest was to promote creativity through sustainable crafting while encouraging students to develop design skills, patience, and attention to detail. The event aimed to inspire eco-awareness, artistic confidence, and interactive learning in an enjoyable and engaging environment.

Target Audience:

The target audience were students.

.

3. Event Highlights

Description: The JUTE ART CONTEST commenced at 10:00 a.m. with enthusiastic participation from students, and the venue filled up within a short time. Participants created Jute art on glass bottles live within the given time, allowing creativity to unfold in an interactive and engaging atmosphere. The event concluded with the announcement of three winners.

Activities: The event focused on live sketching, where participants showcased their artistic skills through real-time drawings, engaging both the artists and the audience.

Participation: There were 35 participants.
