

Report on “Youth Parliament” under Blitzschlag 2026

Date: 7th February 2026

Venue: APJ Hall

Organizing Body: Language Club, MNIT Jaipur

Number of Participants: 80

The Language Club of MNIT Jaipur successfully organized the Youth Parliament – For a Sustainable Future as part of Blitzschlag 2026. The event aimed to provide students with a platform to engage in structured debates, policy discussions, and deliberations on pressing global and national sustainability issues. Designed to simulate parliamentary proceedings, the event encouraged leadership, critical thinking, and effective communication among participants.

The Youth Parliament witnessed enthusiastic participation from students across various departments. The formal setting of APJ Hall, combined with active deliberations and thought-provoking discussions, created a realistic parliamentary atmosphere that enhanced the overall experience.

Objectives

- To promote awareness about sustainability and policy-making among youth.
- To develop leadership, public speaking, and debating skills.
- To encourage critical thinking and informed decision-making.

Event Details

The Youth Parliament was conducted in a structured format, closely resembling parliamentary proceedings.

Opening Session:

The session commenced with an introduction to the agenda and rules of procedure. Participants were assigned roles such as Speaker, Ministers, Opposition Leaders, and Members of Parliament.

Debate & Deliberation:

Participants presented their viewpoints on sustainability-related topics, including environmental conservation, renewable energy adoption, climate policies, and responsible development. The debates were moderated by the Speaker, ensuring decorum and fair participation.

Question Hour & Rebuttals:

A dynamic round of questioning and rebuttals allowed members to challenge policies,

defend proposals, and present alternative solutions. This segment highlighted analytical skills and quick thinking among participants.

Resolution & Conclusion:

The session concluded with the drafting and passing of key resolutions based on majority consensus, symbolizing collaborative governance and constructive dialogue.

The event was conducted smoothly under the coordination of Language Club executives, who managed registrations, seating arrangements, timekeeping, and overall event flow.

Volunteer and Student Engagement

The Language Club volunteers played a significant role in organizing and executing the event efficiently. From briefing participants about parliamentary procedures to ensuring discipline and time management, the volunteers demonstrated professionalism and teamwork. The participants actively engaged in discussions, making the session insightful and impactful.

Outcomes

- Enhanced awareness about sustainability and governance issues.
- Strengthened public speaking, leadership, and analytical skills.
- Encouraged respectful debate and democratic participation.
- Added an intellectually stimulating dimension to Blitzschlag 2026.

Conclusion

The Youth Parliament – For a Sustainable Future organized by the Language Club during Blitzschlag 2026 was a remarkable success. The event effectively fulfilled its objective of fostering leadership, awareness, and constructive dialogue among students. The enthusiastic participation, disciplined proceedings, and smooth coordination contributed significantly to making the event both educational and inspiring. Overall, the Youth Parliament stood as a testament to the Language Club's commitment to nurturing informed, responsible, and future-ready leaders on campus.
