INTRODUCTION:

“**Lights, Camera, Action**” was an engaging and intellectually stimulating film quiz organized as a part of our cultural fest, aiming to celebrate cinema while promoting knowledge, creativity, and healthy competition among participants. The event was designed to bring together film enthusiasts and students who share a passion for movies, storytelling, and the art of filmmaking. The quiz served as a platform for participants to test their understanding of cinema across various domains, including Bollywood and Hollywood films, iconic dialogues, renowned directors, soundtracks, cinematic techniques, and popular movie trivia. By combining entertainment with learning, the event encouraged participants to explore the cultural and artistic significance of films beyond mere viewing.

The event also aimed to create an atmosphere of enthusiasm and engagement within the fest by blending knowledge-based competition with the excitement of cinema. Through multiple quiz rounds and interactive challenges, the event successfully captured the spirit of filmmaking and cinematic appreciation, making it an enjoyable and memorable experience for both participants and the audience.
