Date of Event: 12 January 2026

Time: 5:00 PM – 6:00 PM

Venue: VLTC 201

Organized by: Quiz Club, MNIT Jaipur

In Collaboration With: Rajasthan Solar Association (RSA)

Coordinators:

- Dr. Kavita Lalwani (Faculty Advisor)
- Dr. Surender Hans (Faculty Advisor)
- Harsh Goyal (General Secretary)
- Rudra Pratap Singh (Joint Secretary)

2. Introduction

The General Awareness Quiz on Renewable Energy was organized by the Quiz Club, MNIT Jaipur, with the objective of spreading awareness about renewable energy, sustainability, and clean energy solutions. The event aimed to educate students about renewable energy sources while making learning interactive and engaging through a quiz-based format.

Event Theme: Renewable Energy and Sustainability

Objective: To promote awareness about renewable energy and encourage environmentally responsible thinking among students.

Target Audience: MNIT Jaipur students from all departments.

3. Event Highlights

The event featured an interactive general awareness quiz focusing on renewable energy concepts, current developments, and sustainability practices. An interactive session with industry leaders provided practical insights into the renewable energy sector.

Activities Conducted:

- General awareness quiz on renewable energy
- Interactive industry session
- Distribution of innovation-themed rewards, merchandise, certificates, and refreshments

4. Participation

Approximately 140 students from various departments of MNIT Jaipur participated in the event. The strong turnout reflected growing student interest in renewable energy, sustainability, and clean energy initiatives. Participants actively engaged throughout the quiz and discussions.

5. Feedback and Suggestions

The event received positive feedback from participants. Students appreciated the informative and engaging quiz format and the opportunity to gain practical insights. Many participants suggested organizing more such awareness-driven and industry-oriented events in the future.

6. Good Quality Photos/Videos
