

## Report on “Lemon Spoon Race” under YouthFest 2026

**Date:** 14<sup>th</sup> January 2026

**Venue:** ECE Department Parking

**Organizing Body:** National Service Scheme (NSS), MNIT Jaipur

**Number of Participants:** Approx 150

The National Service Scheme (NSS) unit of MNIT Jaipur successfully organized a Spoon and Lemon Race as part of the Youth Fest celebrations. The event was designed to promote team spirit, enthusiasm, and healthy competition among students while adding an element of fun and nostalgia to the fest. With vibrant participation from students across the campus, the event became a lively attraction and reflected the energetic spirit of youth engagement.

### Objectives

- To encourage active participation in fun-based physical activities.
- To foster a sense of teamwork and sportsmanship among students.
- To create an engaging and nostalgic experience during the Youth Fest.
- To ensure equal competitive opportunities for both boys and girls.

### Event Details

The Spoon and Lemon Race witnessed enthusiastic participation from approximately 150 students. The competition was conducted separately for boys and girls, ensuring fair participation and equal opportunity for all.

#### Round 1:

The preliminary round included all registered participants. Students competed to qualify for the next stage by successfully completing the race without dropping the lemon from the spoon.

#### Round 2:

From the initial pool, around 40 students advanced to the second round. This stage intensified the competition, requiring greater balance and concentration to qualify for the final round.

#### Final Round:

The final round featured the top-performing participants from both categories. After an exciting and closely contested race, three winners each from the boys' category and the girls' category were selected as the final winners.

The event was conducted smoothly under the coordination of NSS volunteers, who managed registrations, track arrangements, rule explanations, and fair execution of all rounds.

### **Volunteer and Student Engagement**

The NSS volunteers played a crucial role in organizing and managing the event efficiently. From handling participant coordination to ensuring proper conduct of each round, the volunteers demonstrated strong teamwork and commitment. The students' enthusiastic participation and cheering audience created a lively atmosphere, making the event highly engaging and successful.

### **Outcomes**

- Successfully engaged a large number of students in a fun and interactive activity.
- Promoted sportsmanship, focus, and patience among participants.
- Enhanced the festive spirit of the Youth Fest.
- Strengthened NSS's role in organizing student-centric cultural and recreational events.

### **Conclusion**

The Spoon and Lemon Race organized by the NSS unit of MNIT Jaipur during the Youth Fest was a great success. The event achieved its goal of bringing joy, excitement, and student interaction to the campus. The smooth execution by NSS volunteers and the enthusiastic participation of students contributed to making the event memorable. It stood as a reflection of the NSS spirit of engagement, coordination, and service through community-building activities.
