DIRECTOR'S MESSAGE

Dear Readers,

It is with immense pride and joy that I present the November edition of the MNIT Jaipur Newsletter, showcasing the institute's key achievements and community-driven initiatives from August to October 2025. Over the past months, MNIT Jaipur has advanced with a renewed sense of purpose, marked by an array of events that have both elevated our academic standards and solidified our collective identity.

From the vibrant celebrations of Independence Day and the Swachhata Pakhwada, to welcoming new entrants through the orientation program, the deeply engaging Malaviya Internal Cultural Carnival & grand Convocation Ceremony,

Our campus has witnessed moments that unite us as one community driven by excellence and inclusivity. The recognition of MNIT Jaipur as the top NIT in Northern India, along with the conferral of a record number of degrees at Convocation, stands as a testament to our academic strength and the resilience of our students and faculty.

Our departments have continued to push the frontiers of knowledge, organizing expert lectures, international faculty development programs, research workshops, and sustainability initiatives. The launch of technical journals, outstanding faculty awards, and notable student achievements—such as national selection for AI-driven innovation—underscore our commitment to fostering intellectual curiosity and leadership at every level. Collaboration and shared growth remain central to our journey, whether through alumni engagements, global academic partnerships, or through community outreach. This edition also highlights the spirit of wellness, creativity, and togetherness—evident in our orientation programs, wellness camps, and cultural festivals—which form the backbone of a nurturing and progressive campus environment.

As we look ahead, let us innovate with integrity, lead with empathy, and uphold the values of service. May these pages inspire us to celebrate milestones, learn from our journey, and grow together with purpose and excellence.

With warm wishes and renewed inspiration

Prof. Narayana Prasad Padhy
Director, MNIT Jaipur

Independence Day

The Malaviya National Institute of Technology (MNIT), Jaipur, celebrated the 79th Independence Day with great enthusiasm and patriotic fervour at Prabha Bhawan on August 15, 2025. The celebration began with the hoisting of the National Flag by Prof. Narayana Prasad Padhy, Director, MNIT Jaipur, followed by the National Anthem. In his address, Prof. N. P. Padhy highlighted the institute's achievements, ongoing sustainability initiatives, and its commitment to innovation, inclusivity, and campus-wide environmental responsibility.

Independence Day

To mark the day as a Green Independence Celebration, the MNIT Jaipur Alumni Association, along with students and faculty, organized a Tree Plantation Drive at Chandrashekhar Hostel and across the campus, led by our director Prof. Narayana Prasad Padhy. The initiative served as a heartfelt tribute to the nation's heroes while reinforcing MNIT Jaipur's dedication to environmental sustainability and community engagements.

The event beautifully reflected the spirit of unity, pride, and collective responsibility, bringing together all members of the MNIT Jaipur community to celebrate India's freedom and shared values.

As part of the celebration, a Rangoli Competition held the previous day showcased students' artistic talent and patriotic spirit. The event featured patriotic songs, classical and folk dance performances, and a street play dedicated to India's freedom fighters. A special performance by a local government school added to the vibrancy of the occasion, which concluded with a soulful rendition of Vande Mataram, uniting the audience in pride and gratitude.

Orientation Programme

The Malaviya National Institute of Technology (MNIT), Jaipur organized a four-day Orientation Program for the first-year undergraduate students of Batch 2025–26 from August 28 to 31, 2025, to ensure a smooth and engaging transition into campus life.

The program commenced on August 28, 2025, at 5:15 PM in the Vivekananda Lecture Theatre Complex (VLTC), graced by Mr. Suvro Kamal Dutta, a noted public policy expert and media personality, as the Chief Guest, along with Prof. N. P. Padhy, Director, MNIT Jaipur, Deans, and senior dignitaries. The dignitaries motivated students to pursue academic excellence, embrace innovation, and grow into responsible future leaders. Students were divided into batches to ensure personalized engagement throughout the program.

Adopting a holistic approach, the orientation integrated academic guidance, health and wellness activities, expert talks, and cultural events. Each morning began with Yoga, Meditation, and Aerobics sessions (6:30–7:30 AM), promoting physical fitness and mental well-being. The Wellness Workshops on Navigating Skills for Transition to College Life (9:00 AM–1:00 PM) focused on resilience, stress management, and personal growth. Campus and Department Tours (10:00 AM–12:00 PM) familiarized students with laboratories, hostels, and academic facilities, helping them settle comfortably into their new environment.

The Clubs' Orientation (9:00 AM–1:00 PM) introduced students to MNIT's vibrant ecosystem of cultural, technical, and extracurricular clubs. Each club showcased its activities, achievements, and upcoming events, encouraging students to explore interests beyond academics.

Orientation Programme

Expert Talks by distinguished speakers on *Mind Management*, *Power of Habits*, *Gender Sensitization*, *Nutrition*, and *Unlocking College Life* provided valuable insights into personal growth, social awareness, and effective learning.

A **motivational movie night** on **August 30** offered a relaxing yet inspiring experience for the new students. The following day featured an **Alumni–Industry Interaction**, where eminent alumni including **Mr. Ashish Arora** (CAO, Narayana Educational Institutions) and **Mr. Shubham Maheshwari** (CEO, Being Chef, Gurgaon) shared their journeys, inspiring students with lessons on leadership, career development, and entrepreneurship.

The **Cultural Evening**, held on the **Central Lawn** from **6:30 PM to 8:00 PM**, marked a vibrant conclusion to the program. Performances included *Bharatnatyam on Ganesh Vandana*, *Kathak*, *Rajasthani folk*, *dramatics*, *music*, and *group dances* by senior and first-year students. The unveiling of teasers for upcoming fests added to the excitement and festive spirit.

The **Orientation Program 2025–26** concluded successfully, leaving students inspired, connected, and well-prepared for their academic journey at MNIT Jaipur. Blending **wellness**, **academic guidance**, **extracurricular engagement**, and **cultural vibrancy**, the program truly reflected MNIT's commitment to nurturing holistic growth and a sense of belonging among its newest members.

Wellness Camp 2025: Nurturing Holistic Well-being at MNIT Jaipur

The Wellness Camp 2025, organized by the Wellness Club under the Dean, Students' Welfare Office, was held from August 29 to 31, 2025, at APJ Abdul Kalam Hall, VLTC, MNIT Jaipur. Designed for new undergraduate entrants, the camp focused on four key dimensions of well-being—Social, Digital, Mental, and Physical Wellness—to promote holistic development and a balanced lifestyle.

Social Wellness: Connect & Thrive

Led by Dr. Manoj Louis Ambrose, the session emphasized teamwork, collaboration, and interpersonal bonding through interactive activities and games. Participants engaged in fun yet meaningful challenges like the Thread & Bottle, Cup Challenge, and Hula Hoop Relay, fostering camaraderie, communication, and community spirit among students.

Digital Wellness: Wellness in a Wired World

Conducted by Dr. Suprabha K. R., Associate Professor, NITK Surathkal, this session encouraged students to reflect on their screen-time habits and embrace mindful technology use. Through interactive exercises, participants explored the impact of digital distractions and discussed practical ways to balance productivity and digital engagement. The session reinforced the importance of conscious tech use in sustaining focus and well-being.

Mental Wellness: Discover Your X-Factor

The session, jointly conducted by Dr. Ritika Mahajan, Wellness Coordinator, DSW Office,

and Ms. Arsi Dhariwal, Psychologist, MNIT Dispensary, introduced the newly formed Wellness Club and highlighted mental health as a vital component of student life. A psychological survey conducted during the session helped assess students' well-being and will guide future wellness initiatives at the institute.

Physical Wellness: Fit & Fabulous

Dr. Kirti Jain, renowned health and nutrition expert, led this session focusing on balanced diets, mindful eating, hydration, and fitness. The interactive workshop emphasized practical diet management for hostel life and sustainable healthy routines. Students actively engaged in discussions, gaining valuable insights on integrating wellness into their daily lives.

The Wellness Camp 2025 successfully instilled a culture of holistic health and mindfulness among new students. Each session offered valuable takeaways—encouraging teamwork, balanced digital habits, emotional awareness, and physical vitality. The initiative marked a significant step by MNIT Jaipur toward building a supportive and wellness-oriented campus environment where students thrive both academically and personally.

Prominent Events

Anti-Ragging Day

Malaviya National Institute of Technology, Jaipur, observed Anti-Ragging Day on August 12, 2025, marking the beginning of a week-long series of anti-ragging awareness programs.

In her address, the Dean (Students Welfare) outlined the week's activities and reaffirmed that any form of ragging is strictly unacceptable at the institute. Prof. Kanupriya Sachdeva, Dean (Students Welfare), emphasized that MNIT Jaipur remains a ragging-free campus through collective responsibility and urged everyone to pledge to maintain a safe and respectful environment.

A video message from the Director, Prof. Narayana Prasad Padhy, was inaugurated by Prof. Rohit Goyal, Dean (P&D), and Prof. Kanupriya Sachdeva, Dean (Students Welfare). In his message, Prof. N. P. Padhy appealed to students, their families, and all stakeholders to ensure MNIT Jaipur remains a zero-ragging institute, reminding them that ragging is not a tradition but a crime that erodes trust and respect.

Dr. Vikas Sangal, Associate Dean (Discipline), presented the institute's anti-ragging regulations and conducted training for the Anti-Ragging Squad. Throughout the week, various activities—including expert lectures, street plays, essay writing, and poster and slogan competitions—are being organized to promote awareness and strengthen the institute's commitment to a ragging-free culture.

Prominent Events

Expert Lecture by Prof. Ranjan K. Mallik at MNIT Jaipur

MNIT Jaipur hosted an inspiring expert talk on October 3, 2025, by Prof. Ranjan K. Mallik, IEEE Fellow and Professor at IIT Delhi, on the topic “Multi-Level Signaling for Noncoherent SIMO.”

A J. C. Bose National Fellow and Shanti Swarup Bhatnagar Awardee, Prof. Mallik captivated the audience with his cutting-edge insights into noncoherent detection techniques. He introduced a novel Amplitude-Frequency Keying (AFK) scheme, highlighting its superior performance compared to traditional ASK and FSK methods. The session seamlessly blended rigorous theoretical concepts with impactful numerical results, offering participants fresh perspectives on next-generation wireless communication systems.

The event witnessed active participation from faculty members, students, and researchers, fostering engaging discussions and a spirit of academic curiosity. MNIT Jaipur extends heartfelt gratitude to Prof. Ranjan K. Mallik for his enlightening lecture and to all attendees for their enthusiastic involvement.

Tree Tagging Challenge under the Roots of Responsibility Initiative

We are delighted to share that the Tree Tagging Challenge was organized under the **Roots of Responsibility (ROR)** initiative, which this month proudly celebrated **one year of its journey**.

Prominent Events

Led by Prof. Manju Singh, the initiative embodies the spirit of “Ek Ped Maa Ke Naam,” encouraging participants to plant a tree in their mother’s name as a gesture of gratitude and care.

The competition invited participants to design and affix eco-friendly tags using sustainable materials. Entries were evaluated by Prof. Panchanan Mohanty and Prof. Vibhuti Singh Shekhawat on parameters of Creativity, Durability, Sustainability, and Attractiveness.

Ms. Deepa Batra, Mr. Sachin Bhambu, and Ms. Labhisha Meena were declared winners, while Ms. Nikita Poonia received a special mention for her artistic stone painting. The event concluded with pride, resonating with Roots of Responsibility’s enduring message of empathy and environmental stewardship.

Inaugural Ceremony of Vigilance Awareness Week 2025 at MNIT Jaipur

The Inaugural Ceremony of Vigilance Awareness Week 2025 was held at the Malaviya National Institute of Technology (MNIT) Jaipur in the esteemed presence of Prof. Narayana Prasad Padhy, Director, MNIT Jaipur, as the Chief Guest; Shri Sauranshu Sinha, Deputy Secretary (Vigilance), Ministry of Education, Government of India, as the Guest of Honour; and Prof. Vijay Janyani, Chief Vigilance Officer, MNIT Jaipur.

The ceremony commenced with insightful addresses underscoring the importance of integrity, transparency, and accountability in institutional functioning. In his address, Prof. N. P. Padhy emphasized the need for value-

based education from the foundational years, fostering a generation of responsible and honest citizens. He highlighted that integrity extends beyond financial conduct, encompassing every action and decision in professional and personal life. Prof. Padhy further urged all members of the MNIT community to embrace vigilance as a way of life and to perform their duties with honesty, responsibility, and moral commitment.

Swachhata Pakhwada

Swachhata Pakhwada 2025: Towards a Cleaner, Greener, and Sustainable MNIT Jaipur

The National Service Scheme (NSS) Unit of MNIT Jaipur actively celebrated Swachhata Pakhwada 2025, reaffirming the institute's commitment to cleanliness, sustainability, and environmental responsibility through a series of impactful initiatives across the campus.

As part of the fortnight-long celebration, a Plantation Drive was organized on September 15, 2025, at Chandrashekhar Hostel, where NSS volunteers, faculty members, and guests planted shade-giving saplings to promote environmental consciousness and a greener campus. On September 25, 2025, under the “Ek Din, Ek Ghanta, Ek Saath” theme of Swachhata Hi Seva 2025, a campus-wide Cleanliness Drive saw enthusiastic participation from faculty, students, and safai mitras. The activities included sweeping, waste collection, removal of plastic litter, and garden beautification, followed by a Swachhata Pledge, reflecting the true spirit of Shramdaan and collective responsibility.

Demonstrating its long-standing commitment to sustainability, MNIT Jaipur continues to lead by example. The institute currently generates 1.15 MW of solar power, with plans to expand to 2 MW, operates the first rooftop rainwater recharge system in Rajasthan, and maintains a 1.7 MLD sewage treatment capacity—reusing treated water for campus irrigation since 1999. Regular drinking water quality checks ensure a safe and healthy environment for all.

Hindi Pakhwada

Adding to its achievements, MNIT Jaipur has become the first institutional campus to receive the Indian Green Building Council (IGBC) Green Campus “Platinum” Rating, recognizing its leadership in sustainable development and Swachhata practices. The institute has also been honored with the GRIHA Council’s Award for construction safety and the Indian Concrete Institute’s Outstanding Concrete Structure Award for Acharya Bhawan.

These collective milestones reaffirm MNIT Jaipur’s position as a national leader in clean, green, and responsible campus development, inspiring a culture of sustainability and civic pride across its community.

Hindi Pakhwada Celebrations at MNIT Jaipur

Hindi Pakhwada was celebrated at Malaviya National Institute of Technology, Jaipur, from September 14-30, 2025, with a series of events organized to promote the use and appreciation of the Hindi language across the campus.

On September 16, 2025, two events were held. The first was a Written Hindi Quiz Competition (General and Administrative) coordinated by Dr. Ritu Agarwal and Dr. Kushal Sharma (Assistant Professors). The event aimed to cultivate interest in Hindi, assess participants’ linguistic and general knowledge, and encourage the use of Hindi as an official language. The quiz covered topics from grammar, literature, and general knowledge to official language policy.

The second event was a Hindi Essay Writing Competition on the theme “*Challenges and Opportunities of Global Business*”, coordinated by Dr. Rajiv Agarwal and Dr. Vikas Sangal (Co-Principals). The competition encouraged creativity, writing proficiency, and critical thinking, providing participants with an opportunity to express their views on a contemporary issue..

Malaviya Internal Cultural Carnival

Continuing the celebrations, a Poetry Recitation Competition was organized on September 17, 2025, coordinated by Dr. Kamalendra Awasthi (Co-Principal) and Dr. Ashish Tripathi (Assistant Professor). Dr. Ritu Agarwal and Mr. Birendra Kumar Pandey served as judges, evaluating performances on emotion, pronunciation, presentation, and content. The participants beautifully expressed the richness of Hindi literature, patriotic sentiments, and contemporary reflections through their poems, creating a vibrant and poetic atmosphere.

All the events were held in the presence of Prof. Raj Kumar Vyas (Coordinator, Official Language Cell), Dr. Rishi Tiwari (Co-Coordinator, Official Language), Mr. Kushagra Chaturvedi (Hindi Officer), and Mr. Pawan Kumar Sharma (Superintendent).

Malaviya Internal Cultural Carnival

The Malaviya National Institute of Technology (MNIT), Jaipur, hosted its annual cultural extravaganza, the MNIT Internal Cultural Carnival (MICC 2025), on October 1, 2025, at the Central Lawn. The event provided a vibrant platform for students to showcase their artistic talents and celebrate the institute's rich cultural spirit.

The evening began at 6:15 PM with the traditional lighting of the ceremonial lamp and a soulful Aarti, followed by welcome addresses from the Associate Dean (Cultural) and the Dean, Students Welfare, who emphasized the importance of cultural engagement in holistic student development. The celebration was officially inaugurated by Prof. N. P. Padhy, Director, MNIT Jaipur, whose inspiring address set an enthusiastic tone for the night.

The Central Lawn, adorned with colourful lights, traditional décor, and creative installations, created the perfect festive backdrop. The performances opened with a traditional music recital by the Music Club, followed by the Fashion Club's ramp walk celebrating India's diverse attire and craftsmanship. The Dramatics Club captivated the audience with a powerful enactment of the Ramayana's "Nose Cutting Act", while the Dance Club concluded the stage performances with an electrifying routine that filled the atmosphere with energy and joy. A heartfelt Vote of Thanks by the CACS Core Team and the unveiling of the Blitz teaser added to the anticipation for the institute's flagship cultural fest.

The night culminated in a spectacular Garba and Dandiya celebration from 7:00 to 10:00 PM, where students, faculty, and staff came together on the dance floor in a joyful display of unity and festivity. The announcement of the Garba King and Queen added excitement and cheer, wrapping up the evening on a high note.

MICC 2025 truly reflected the spirit of togetherness, creativity, and campus pride, leaving the MNIT community inspired and eagerly looking forward to the grand celebrations of Blitz 2025.

Malaviya Internal Cultural Carnival

Malaviya Internal Cultural Carnival

Convocation Ceremony

The Malaviya National Institute of Technology, Jaipur, proudly hosted its Nineteenth Convocation on Saturday, October 11, 2025, graced by Shri Bhajan Lal Sharma Ji, Hon'ble Chief Minister of Rajasthan, as the Chief Guest. A total of 1,386 degrees were conferred across various programs for the academic session 2024–25, including a record 154 Ph.D. degrees, marking a remarkable milestone in the institute's academic journey.

The ceremony also felicitated 20 Gold Medalists for outstanding academic performance, with the Director's Outstanding Gold Medal awarded to Mr. Vidit Awasthi. Notably, half of the undergraduate gold medals were earned by female students, reflecting MNIT's growing culture of inclusivity and excellence.

In his address, Prof. Narayana Prasad Padhy, Director, MNIT Jaipur, highlighted the institute's continued upward trajectory, noting its recognition as the top-ranked NIT in Northern India and 3rd among all NITs in the NIRF Research Institutions category.

The event also celebrated the enrollment of 77 international students—a first for MNIT Jaipur—and witnessed the launch of the institute's first technical journal, "Abhiruchi," in Rajbhasha Hindi, reaffirming MNIT's commitment to academic excellence, innovation, and the vision of a Viksit Bharat under the guidance of the nation's leadership.

MNIT Jaipur Shines as the top-ranked NIT in Northern India!

MNIT Jaipur Shines as the top-ranked NIT in Northern India!

A proud moment for the entire MNIT Jaipur community as the institute continues its upward journey of excellence in the NIRF 2025 Rankings, emerging as the top-ranked NIT in Northern India. Under the visionary leadership of Prof. Narayana Prasad Padhy, Director, MNIT Jaipur, the institute has achieved remarkable growth across multiple categories, reflecting its strong focus on academic quality, innovation, and research.

Notably, MNIT Jaipur has been listed in the Research Institutions category for the first time, underscoring the Director's emphasis on strengthening the R&D ecosystem, fostering impactful collaborations, and nurturing a culture of innovation and scholarly excellence.

Ranking Highlights (NIRF 2025):

- Overall: 77 (up from 82 in 2024)
- Engineering: 42 (up from 43 in 2024)
- Architecture & Planning: 12 (up from 15 in 2024)
- Management: 62 (up from 68 in 2024)
- Research Institutions - 50
- Sustainable Development Goals - Rank band 11- 50

These achievements reaffirm MNIT Jaipur's commitment to academic distinction and its growing reputation as a leading centre of research, innovation, and holistic education in the country.

Prominent Events

MNIT Meeting 70% of Its Energy Demand Through Renewable Energy Resources

Malaviya National Institute of Technology (MNIT) Jaipur has advanced its progress toward a net-zero campus with the expansion of its solar energy system.

The upgraded infrastructure was inaugurated by Prof. Narayana Prasad Padhy, Director, MNIT Jaipur, in the presence of Prof. Rohit Goyal, Dean (Planning & Development), along with faculty, students, and staff.

MNIT's solar capacity has now been increased to 2.0 MWp, with new installations at Prabha Bhawan parking, Electronics and Communication Engineering Department parking, and the pathway from Vinodini Hostel to Aurobindo Boys Hostel. With these additions, most major rooftop spaces across campus have been utilized.

As a result, around 70% of the Institute's electricity demand is currently being met through solar power, significantly lowering carbon emissions and energy costs. These efforts reflect MNIT's ongoing commitment to sustainability and responsible campus development.

The event concluded with a brief tour of the expanded facilities and interactions with the project teams involved.

Departmental Spotlights

Centre for Energy and Environment (CEE)

The Centre for Energy and Environment continued its efforts to promote sustainable innovation and research during August–October 2025.

Events Attended:

Dr. Vivekanand, Assistant Professor, visited SLU Alnarp, Sweden (September 13-22, 2025) as part of a collaborative research initiative focused on converting biomass residues—such as leaf protein and pulp—into high-value bio-products, including food, feed, and biogas. His expertise in biomass fermentation contributed significantly to advancing circular bioeconomy studies.

Events Organised:

CEE commemorated the installation of the BIS Student Chapter on September 3, 2025, in the esteemed presence of Shri Pramod Kumar Tiwari, IAS (Director General, BIS) and Prof. N. P. Padhy (Director, MNIT Jaipur). The event aimed to strengthen collaboration between academia and BIS while fostering a culture of quality and standardisation.

- An Alumni Talk was also organised on the same day, featuring Mr. Vikas Kumar (M.Tech. 2012–14, Deloitte), who shared industry insights on renewable energy careers and emerging sustainability trends.

Invited Talks:

- These expert sessions served as an effective platform for bridging academic knowledge with industrial practices, offering students exposure to real-world challenges and modern technological applications.

Departmental Spotlights

Invited Talks:

Dr. Kapil Pareek, HOD, delivered a guest lecture on “Hydrogen Research Trends and Technologies” at MNIT, Madanapalle (October 7, 2025) as part of IEEE Day 2025 celebrations, highlighting the evolving role of hydrogen in the global energy landscape.

Department of Chemical Engineering

The Department of Chemical Engineering remained active in both industrial collaboration and alumni engagement through a series of expert lectures and research pursuits.

Events Organised:

The department hosted multiple industry-oriented expert talks by distinguished alumni: **Ms. Sonam Kherari (ONGC, Mumbai)** delivered an insightful session on “Offshore Operations” on September 1, 2025, sharing field-level perspectives on petroleum production and operational safety.

Chief Coordinator Dr. A.V. Pavan Kumar Professor & Head / EEE	Coordinator Dr. Vinet Kumar Asst. Professor, EEE	

Mr. Pulkit Singh (Bechtel India) conducted an Expert Talk on LNG Technology on September 9, 2025, discussing global trends in gas liquefaction and energy transition.

Departmental Spotlights

Mr. Vikesh Singh Baghel (Microsoft, Bengaluru) engaged students on October 3, 2025, with a thought-provoking session on “Applied AI/ML in Industry: Challenges, Learnings, and the Road Ahead.”

These expert sessions served as an effective platform for bridging academic knowledge with industrial practices, offering students exposure to real-world challenges and modern technological applications.

Department of Computer Science and Engineering (CSE)

The Department of Computer Science and Engineering at MNIT Jaipur showcased exceptional academic, research, and outreach activity during this quarter, reinforcing its leadership in Artificial Intelligence, cybersecurity, and advanced computing domains.

Events Organised:

Under the guidance of Dr. Mushtaq Ahmed, the department organized an International Faculty Development Programme (FDP) on “Cloud Analysis and Security” from September 8-19, 2025, at MNIT Jaipur. The two-week FDP attracted national and international participants, offering in-depth sessions on cloud architecture, data encryption, and emerging trends in secure cloud computing. Experts from academia and industry shared hands-on insights into data protection frameworks, AI integration, and multi-cloud security practices, significantly enriching faculty competencies across institutions.

Events Attended / Invited Talks:

CSE faculty members contributed to the national and international academic discourse through invited talks and prestigious collaborations:

Dr. Vikash Kumar was invited as a Resource Person for the Online Short-Term Programme on Cyber Security, organized by the UGC Malaviya Mission Teacher Training Centre, RTM Nagpur University (October 6-11, 2025).

Departmental Spotlights

He also delivered an expert talk on “Introduction to Computational Methods and Data Classification” during the FDP on Computational Methods for Researchers, under the E&ICT Academy, MNIT Jaipur (September 29, 2025), and conducted a 40-hour FDP on Malware Analysis from August 25 - September 1, 2025.

Dr. Lavika Goel delivered two invited lectures —“Recent Trends in Artificial Intelligence: A Modern Perspective” and “AI and Machine Learning for Smart Farming Applications”— on July 11 & 18, 2025, respectively, organized by the IEEE Bhubaneswar Section and Women in Engineering Affinity Group at IIIT Bhubaneswar.

Dr. Neeta Nain conducted a GIAN Course on “Introduction to Generative AI Models” from June 23–27, 2025, at MNIT Jaipur, sponsored by the Ministry of Education (MoE), New Delhi.

Dr. Mahipal Jadeja was featured by Oxford University’s AI in Education (AIEOU) Hub for his article “Code or Clicks? Reassessing Programming Skills in an AI-Driven World”, published on September 18, 2025. The piece explores AI’s impact on programming education and highlights his bilingual AI tutor initiative Python Ki Pathshala.

Departmental Spotlights

Department of Electronics and Communication Engineering (ECE)

The Department of ECE upheld its tradition of fostering innovation and student skill-building through a mix of academic, technical, and placement-driven events.

Events Attended:

Doctoral scholar Mr. Manish Janggi represented MNIT at the SPIE Sensing and Imaging 2025 Conference, Madrid, Spain (September 15–18, 2025), supported by the SPIE Student Travel Grant. His presentation highlighted the department's growing research footprint in optics and photonics.

Events Organised:

The Placement Club conducted several impactful initiatives, including “Core vs Non-Core” (September 2, 2025), where placed final-year students guided juniors on career choices across domains; and “Mythbuster Placement Policy” — an interactive awareness session simplifying MNIT’s placement process.

Departmental Spotlights

In addition, a Resume Weighting Workshop and a Verilog Session were conducted to equip students with resume-building and HDL programming skills, fostering career readiness and hands-on learning.

Department of Humanities and Social Sciences (HSS)

The Department of HSS actively promoted interdisciplinary learning, ethics, and research excellence through a rich array of academic programs.

Events Organised:

FRESCONNECT (August 20, 2025): The first-ever orientation for new research scholars introduced the department's ethos of collaboration and innovation.

Capacity Building Program 6.0 (September 5–9, 2025): Conducted in collaboration with the Training & Placement Cell, the course focused on leadership, communication, and career growth.

Two-Day Workshop on AMOS for Data Analysis (September 25–26, 2025): Provided hands-on exposure to statistical modeling tools for research scholars.

Departmental Spotlights

Swachhata Pledge (September 29, 2025): Conducted under the “Swachhata Hi Sewa 2025” campaign, reinforcing environmental responsibility.

Invited Talks:

Dr. Dipti Sharma led a stakeholder roundtable on policy challenges at Jaipuria Institute of Management (August 21, 2025).

Dr. Nidhi Bansal served as a resource person at an ICSSR Research Methodology Course (September 10–19, 2025, CURaj).

Department of Mechanical Engineering

The department showcased a strong blend of research and industry collaboration.

Events Organised:

An FDP on “Smart Manufacturing and Industry 4.0 Solutions” was organized from September 1–5, 2025, under the aegis of E&ICT Academy, MNIT Jaipur, funded by the Ministry of Electronics & IT, Government of India.

Departmental Spotlights

Invited Talks:

Dr. Rajeev Agrawal chaired sessions on AI-driven Industrial Engineering for Sustainability at the 67th National Convention of Industrial Engineers (August 2025) and delivered a keynote on Innovation Ecosystem at the Innovation Hub, Jaipur.

Dr. Tapas Bajpai chaired the session “Transforming Welding Practices through Automation and AI” at the Young Professionals International Conference (September 2025).

Department of Metallurgical and Materials Engineering (MME)

Events Organised:

The department hosted a one-day workshop on “Exploring Metallurgy for Mechanical Innovation” in collaboration with Arya College of Engineering (September 20, 2025).

Invited Talks:

Dr. Randhir Kumar Singh delivered a talk on Advances in Non-Destructive Evaluation of Aluminium Alloys during the National Seminar on Metallurgy in Industry (August 30–31, 2025).

Dr. Deepankar Panda spoke on "Evolution of Microstructure, Texture, and Mechanical Properties of Pure Mg and its Alloys during Grain Growth" at the “Capacity Building in Process Metallurgy” Conference (CBPM 2025) (July 26–27, 2025).

Materials Research Centre (MRC)

MRC maintained its focus on research training and capacity building through specialized technical programs.

Events Organised:

A Short-Term Training Program on Scanning Electron Microscopy (September 15–19, 2025) offered hands-on experience in SEM operation and analysis.

Additionally, a One-Day Workshop on Rheology (July 24, 2025), in collaboration with Anton Paar India Pvt. Ltd., introduced participants to the principles of viscosity and viscoelasticity in advanced material systems.

Students' Achievements

Students' Achievements

We are proud to share that Mr. Vedit Awasthi, a distinguished student of MNIT Jaipur, received the Director's Outstanding Gold Medal at the institute's 19th Convocation on October 11, 2025. This prestigious honour acknowledges his exceptional academic excellence, leadership, and contribution to the MNIT community. Vedit's dedication and pursuit of excellence embody the institute's values and serve as an inspiration to his peers.

We are equally delighted to announce that Harshvardhan Sharma, a second-year B.Tech student from the Department of AIDE, successfully graduated from the first-ever ChatGPT Lab India, powered by OpenAI. Selected among only 28 students nationwide, Harshvardhan represented MNIT Jaipur in this pioneering cohort. Guided by Dr. Mahipal Jadeja (AIDE), he completed a five-week program exploring AI-driven learning and innovation, conceptualizing a custom GPT for academic support, and emphasizing ethical and responsible AI use.

Department Of Chemical Engineering

"Development of Multifunctional Polymer/Graphene Nanocomposites for Space Applications [Oct-2025]" ISRO, Cost (Lacs):25.07, PI: Dr. Vikas Kumar Sangal

Department of Electronics & Communication Engineering

"Design, Development, and Testing of Conformal Wearable Antenna for Smart Helmet (MSS Services) [Oct-2025]" ISRO, Cost (Lacs):30.32, PI: Dr. Ritu Sharma

"Development of a Smart Embedded Prototype for Automated Urinalysis of Cattle [Sep-2025]" Stockwell Solar Services Private Limited (SSSPL), Cost (Lacs):10.30, PI: Dr. Bharat Choudhary

"Development of a Smart Embedded Wearable Assistive Device for the Visually Impaired [Aug-2025]" Stockwell Solar Services Private Limited, Cost (Lacs):10.50, PI: Dr. Kuldeep Singh

Department of Metallurgical & Materials Engineering

"Forming Limiting Diagram (FLD) Generation and Optimization of Cold forming of KC20WN Cobalt Based Super Alloy for Rocket Nozzle Divergent [Oct-2025]", ISRO-RACS, Cost (Lacs):21.67, PI: Dr. Randhir Kumar Singh

Department of Mechanical Engineering

"Recycling Steel Melting Slag for Welding Applications A Sustainable Flux Alternative in Submerged Arc Welding [Sep-2025]", Ministry of Steel, India, Cost (Lacs):73.65, PI: Dr. Jinesh Kumar Jain

Dr Anoj Meena has been sanctioned a research and development project on "Development of Novel Material to Enhance Service Life of Existing Sewage Treatment Tanks", funded by EVERGREEN ENTERPRISES, worth Rs. 3 lakhs.

National Centre for Disaster Mitigation & Management

"Earthquake Resistant Design and Development of Tubular Section-Based Steel Moment Resisting Frames [Sep-2025]", Ministry of Steel, GoI, Cost (Lacs): 218.01, PI: Dr. Jagajyoti Panda

Department Of Computer Science and Engineering

"Design & Development of Advanced Mobile Security & Analysis Solutions", MeitY (CSRD Scheme), Cost (Lacs): Cost (Lacs): 99.15, PI: Dr. Smita Nawal

"CityGen-Centric Digital Twin for Next Generation Smart City", AMRUT, Cost (Lacs): 64, PI: Dr. Ramesh Babu Battula

Faculty Achievements

Centre For Energy & Environment:

Patent granted to Dr. Kapil Pareek and Mr. Kartik Kumar.

Department of Chemical Engineering:

Dr. Virendra Kumar Saharan received the *Outstanding Teacher Award, MNIT Jaipur*.

Department of Electronics and Communication Engineering (ECE)

- Dr. Amit Mahesh Joshi is included in *World's Top 2% Scientists (Elsevier–Stanford 2025)*.

Department of Mechanical Engineering:

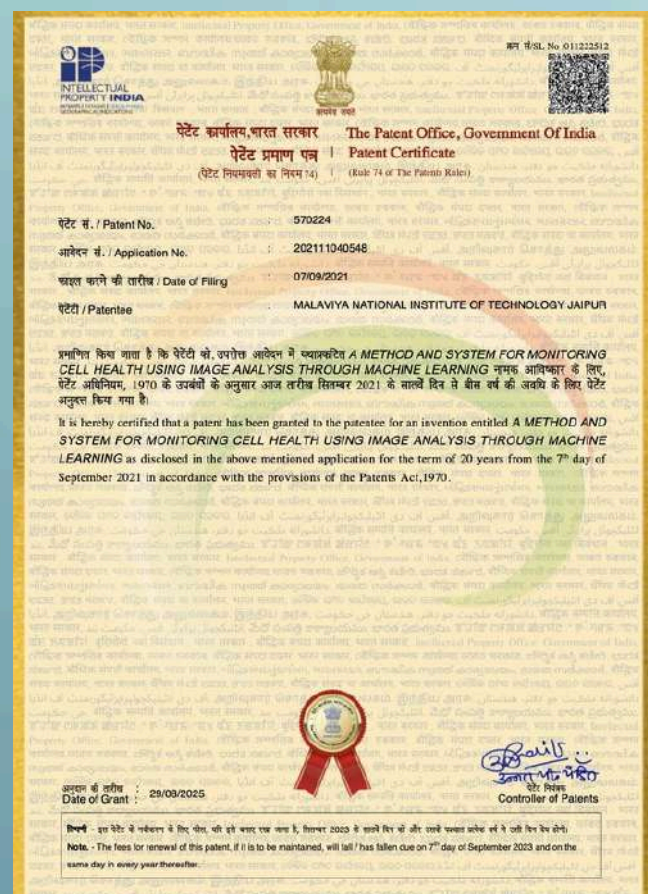

Dr. Rajeev Agrawal received Fellowship from Indian Institute of Industrial Engineering for contributions to Industrial Engineering.

Department of Metallurgical & Materials Engineering:

Dr. Bandi Suresh elected to Editorial Board, *Scientific Reports (Springer Nature)*.

Department of Materials Research Centre:

Dr. Bhagwati Sharma joined the Editorial Board, *Scientific Reports (Nature Publishing Group)*.

Faculty Achievements

Prof. N. P. Padhy Honored with Distinguished Alumni Award 2025

It is a moment of pride for MNIT Jaipur as Prof. N. P. Padhy, Director, MNIT Jaipur, has been conferred with the TCE Distinguished Alumni Award 2025 for Excellence in Academia and Research by his alma mater, Thiagarajar College of Engineering (TCE), Madurai. The award was presented on September 26, 2025, during a ceremony in which four Padma Shri and Padma Bhushan awardees, including ISRO scientist Er. S. Nambi Narayanan was also honored. Through this recognition, Prof. Padhy has been placed among some of the nation's most distinguished contributors to science and technology.

Prof. Narayana Prasad Padhy, Director of MNIT Jaipur, has been awarded the prestigious IETE–Bimal Bose Award 2025 for Excellence in Academia and Research by the Institution of Electronics and Telecommunication Engineers (IETE), India. The award was presented on 27th September 2025 at CSIO, Chandigarh, by Shri Ajay Kumar, Chairman, UPSC, who served as the Chief Guest. This honor recognizes Prof. Padhy's outstanding contributions to electronics and electrical engineering through his groundbreaking research and exemplary academic leadership.

Conferences and Seminars

Conferences and Seminars Attended

Department of Chemistry

- **Dr. Biman Bandyopadhyay** — 9th Asian & Oceanian Spectroscopy Conference (AOSC-2025), Goa (September 21–25, 2025) — **Topic:** spectroscopic study of hydrogen-bonding in the methanol-H₂S complex (inert-matrix spectroscopy).
- **Dr. Rajkumar Joshi** — International Conference on Sustainable Development in Chemical Sciences (ICSDCS 2025), Akal University, Punjab (August 20–22, 2025) — **Topic:** sustainable, value-added organic transformations (iron-based catalysis / green chemistry).
- **Dr. Rajkumar Joshi** — Invited lecture, Central University of Punjab (19 Aug 2025) — **Topic:** iron-based organic transformations (scalable/green synthesis).

Department of Computer Science & Engineering (CSE)

- **Dr. Mushtaq Ahmed & team** — *IEEE MCSoc 2025 (Singapore); IEEE CICON 2025 (NIT Goa); IEEE SMARTNETS 2025 (Istanbul)* — **Topics:** Network-on-chip performance; defenses against model-poisoning in federated learning; Secure multimodal data encryption; Deep-learning models for medical image (oral-cavity) detection.

Department of Electronics & Communication Engineering (ECE)

- **Mr. Manish Janggi (PhD scholar)** — SPIE Sensing & Imaging 2025, Madrid, Spain (September 15–18, 2025) — **Topic:** optics & photonics/sensing and imaging research (presented a research article; SPIE student travel grant).

Department of Mechanical Engineering

- **Ashutosh Kumar, H. Chelladurai, Tapas Bajpai & Vivek Pandey** — Young Professionals International Conference (Taylor & Francis), NSUT New Delhi — **Topic:** finite-element modelling of heat flow and stress in TIG-MIG hybrid welding (welding metallurgy/simulation).
- **Dr. Rajeev Agrawal** — *67th National Convention & 9th International Conference (Thiruvananthapuram, Aug 2025)* — **Topic:** AI-driven industrial engineering for sustainability (chaired session / technical leadership).
- **Dr. Tapas Bajpai** — Young Professionals International Conference — **Topic:** transforming welding practices through automation, additive manufacturing and AI (session chair/expert talk).

Deanery Initiatives

Dean Research & Consultancy (R&C)

The Deanery of Research and Consultancy (R&C), MNIT Jaipur, organized an expert lecture on “Accelerator and Laser Technology for a Self-Reliant India” on September 10, 2025, at Malaviya Sabhagar. The session was delivered by Prof. A. C. Pandey, Director, Inter University Accelerator Centre (IUAC), New Delhi, and was attended by over 100 students and faculty members. Prof. A. C. Pandey highlighted India’s progress and vision in accelerator and laser technologies, emphasizing national initiatives and the role of advanced research in driving scientific self-reliance.

Dean International and Alumni Affairs

Key initiatives this quarter included signing an MoU with State Load Despatch Centre, RVPNL (October 7, 2025), to foster collaboration in smart grid, AI-based forecasting, and power system research.

A series of alumni events, including the MNITJAA Foundation Day and Crystal Jubilee Alumni Meet (August 24, 2025), strengthened alumni engagement. The Walk-O-Run (September 28, 2025) drew over 1,100 participants, promoting fitness and community bonding.

International collaboration advanced with the visit of Ms. Zoe Brown (RMIT University, Australia) to explore joint programs. MNIT also hosted the National Visioning Conference on the Future of Education (September 9, 2025) with MIT-WPU Goa, showcasing the institute’s leadership in educational transformation.

Deanery Initiatives

Dean Student Welfare – Wellness Club

World Mental Health Day: The Art of Listening

The Wellness Club, under the Dean Students Welfare Office, MNIT Jaipur, organized a workshop titled “The Art of Listening – Building Empathy through Communication” on October 10, 2025, at Malaviya Sabhagar, marking World Mental Health Day. Led by Dr. Ritika Mahajan, Wellness Coordinator and Assistant Professor, DMS, the session emphasized how empathetic listening strengthens emotional connection, reduces conflict, and supports mental well-being. She discussed common communication traps—such as over-explaining, quick reassurance, and unsolicited advice—that often block empathy.

Nearly 80 students and faculty participated in interactive activities, role-plays, and reflection exercises that highlighted the difference between hearing and truly listening. Participants appreciated the relatable approach and expressed interest in future sessions. The workshop underscored that listening is more than a skill—it is an act of empathy and mindfulness, essential for building a compassionate and emotionally healthy campus.

Dean Faculty Welfare – Teachers’ Day Felicitation Ceremony

A felicitation ceremony was organized at MNIT Jaipur on September 9, 2025, to mark Teachers’ Day, commemorating the birth anniversary of Dr. S. Radhakrishnan. The event commenced with a floral tribute, followed by the welcome of the Hon’ble Director, Prof. Narayana Prasad Padhy.

Prof. Amar Patnaik, Dean (Faculty Welfare), shared the background of the celebration and expressed gratitude to the Director for initiating the event. In his address, Prof. N. P. Padhy elaborated on the selection process for outstanding teachers, which involved student feedback and committee evaluation, and reflected upon Dr. Radhakrishnan’s legacy of learning and inspiration.

He announced the awardees in the Undergraduate category—Dr. Ashish Tripathi (Department of Computer Science and Engineering) and Dr. Virendra Kumar Saharan (Department of Chemical Engineering). The awardees were felicitated with mementos and citations, recognizing their diligence, sincerity, and perseverance.

The ceremony concluded with a vote of thanks delivered by Dr. Niraja Saraswat (Department of Humanities and Social Sciences).

Deanery Initiatives

MNIT Jaipur Ignites Research & Innovation

The successful completion of the first round of the BOG-approved Faculty Seed Grants (FSG) has been announced by the **Deanery of Research and Consultancy**. Through this initiative, 30 faculty members have been selected and ₹5 lakhs each has been sanctioned, amounting to a total grant of ₹1.5 crores, for undertaking cutting-edge research and the development of new technologies at MNIT Jaipur.

In addition to the Seed Grants, more than ₹10.49 crores has been allocated by the institute for the enhancement of research infrastructure, including laboratory equipment and software facilities. This support has been aimed at strengthening the overall research ecosystem and enabling faculty members to pursue high-impact projects.

The initiative has been made possible through the vision and guidance of the Director, Prof. Narayana Prasad Padhy, whose efforts have facilitated the creation of an environment that nurtures academic excellence.

Deanery Initiatives

Central Library

The Central Library hosted three major training programs —

- CAS SciFinder Discovery Platform (August 21, 2025),
- Research Commons on Web of Science (September 9, 2025), and
- Inauguration of the BIS “Standard Arena” Corner (September 3, 2025).

These initiatives aim to strengthen research accessibility and promote standardisation awareness among students and faculty.

ALCOM Orientation Program

The ALCOM Orientation Program was held on October 8, 2025, marking the beginning of another productive academic year. The session began with the invitation and floral welcome of the dignitaries, followed by insightful addresses by Dr. Pawan Kalla (Associate Dean, Alumni Affairs), Dr. Ashish Dutt Sharma (President, MNITJAA), and Associate Prof. M. L. Meena (Faculty Coordinator). The event included a comprehensive ALCOM Introduction Presentation highlighting the club's initiatives and contributions toward strengthening alumni relations. Each sub-team—Magazine, Event Management, Décor, Technical, and Cultural—presented their scope of work and invited new members to join. The evening concluded with recruitment interviews, where enthusiastic students showcased their skills and expressed their interest in contributing to ALCOM's mission. The program reflected ALCOM's continued commitment to fostering leadership, collaboration, and engagement among students and alumni.

Alumni Engagements

USA Alumni Connect Tour: Strengthening Global Bonds

As part of MNIT Jaipur's international outreach, Prof. Narayana Prasad Padhy, Director, MNIT Jaipur, embarked on a USA Alumni Connect Tour to deepen academic collaborations and engage with the global alumni community.

At NYU Tandon School of Engineering, hosted by alumnus Prof. Nikhil Gupta, Prof. N. P. Padhy met faculty including Prof. Ramesh Karri and toured the Robotics and AI Labs, followed by an interactive alumni meet. On Day 2, he addressed alumni at a luncheon hosted by Mr. Sudeep Das (Civil, 1994) and later attended the USA East Coast Alumni Gala, organized by Mr. Mahesh Motiramani (ECE, 1996) and Mr. Pankaj Faujdar (Metallurgy, 2001), with over 120 participants. In Atlanta, Prof. N. P. Padhy met academic leaders and explored collaborations in innovation and research before joining the Atlanta Alumni Reunion celebrating MNIT graduates' global achievements. The tour reinforced MNIT Jaipur's commitment to global engagement, research collaboration, and a strong, connected alumni network.

Alumni Engagements

Walk-O-Run

On September 28, 2025, from 6:15-7:30 AM, MNIT Jaipur, in collaboration with the MNIT Jaipur Alumni Association, organized Walk-O-Run to promote physical fitness and a healthy lifestyle. The event was flagged off by Prof. N. P. Padhy, Director, MNIT Jaipur, and Prof. A. P. S. Rathore, senior-most faculty alumnus. The 5 km run saw spirited participation from over 1,100 runners, including faculty members, staff, students, and alumni from Delhi NCR, Alwar, Bharatpur, and even Australia. Distinguished participants included Prof. Dilip Sharma (Dean, International & Alumni Affairs), Prof. Rakesh Jain (Placement In-Charge), Dr. Ashish Dutt Sharma (President, MNITJAA), Dr. Pawan Kalla (Associate Dean, Alumni Affairs), and Mr. Mahendra Meena (General Secretary, MNITJAA), among others. Prof. Padhy congratulated all participants and commended their enthusiasm and spirit. The event concluded with medal distribution and refreshments, celebrating endurance, camaraderie, and the vibrant MNIT community spirit.

Foundation Day & Crystal Jubilee Alumni Meet – MNIT Jaipur Alumni Association

MNIT Jaipur, in association with the MNIT Jaipur Alumni Association (MNITJAA), marked the observance of the Foundation Day and the Crystal Jubilee Alumni Meet at Neeti Sabhagar, MNIT Jaipur. The ceremony commenced with a traditional welcome, lamp

Alumni Engagements

lighting, and rendition of the institute's Kulgeet. Distinguished dignitaries, including Mr. Ashish Arora (Director, Narayana Group), Mr. Samay Singh (IPS, Tamil Nadu Cadre), Prof. A.B. Gupta (Officiating Director & Most

Senior Alumnus), Prof. Dilip Sharma (Dean, International & Alumni Affairs), Dr. Ashish Dutt Sharma (President, MNITJAA), Dr. Pawan Kalla (Associate Dean, Alumni Affairs), and Sh. Mahendra Meena (General Secretary, MNITJAA), graced the occasion and addressed the gathering.

The event also witnessed the felicitation of more than 20 recently appointed IAS and RAS alumni, who were honored with mementos in recognition of their distinguished achievements. The ceremony underscored the institute's enduring legacy and strong alumni network. The program concluded with cultural performances, a formal dinner, and group photographs, reflecting the spirit of pride, association, and institutional excellence.

Alumni Engagements

Other Activities:

National Visioning Conference on “Envisioning Tomorrow’s University: A Transdisciplinary Dialogue on the Future of Education”

MIT World Peace University, Goa organized the National Visioning Conference on “Envisioning Tomorrow’s University: A Transdisciplinary Dialogue on the Future of Education” at MNIT Jaipur. The event brought together over 30 academicians, industry experts, and MIT-WPU alumni to discuss the evolving landscape and future directions of higher education in India. The conference was inaugurated by Prof. N. P. Padhy, Director, MNIT Jaipur and mentored by Prof. D. P. Agarwal (Former UPSC Chairperson). It was convened by Dr. Dhanashree Tharkude, AD, MIT-WPU and Dr. Surbhi Razdan, Faculty, Engineering, MIT-WPU. Participants were felicitated with appreciation certificates by Prof. Dilip Sharma, Dean, International & Alumni Affairs, Dr. Pawan Kalla, Associate Dean, Alumni Affairs, and Dr. Prerna Jain, Associate Dean, National & International Affairs. A special highlight of the event was the felicitation of Prof. D. P. Agarwal for his exemplary contributions to education and leadership.

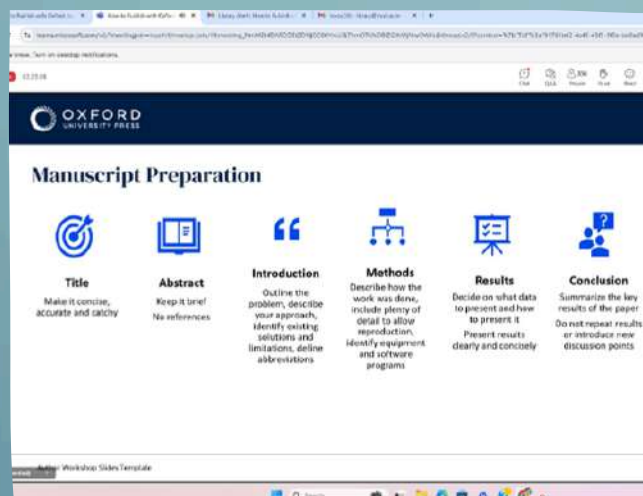

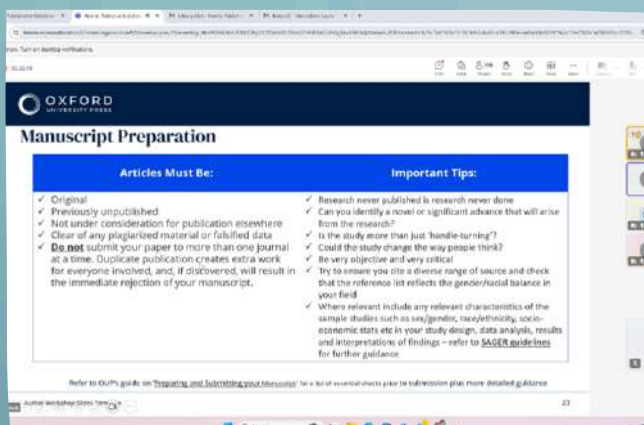

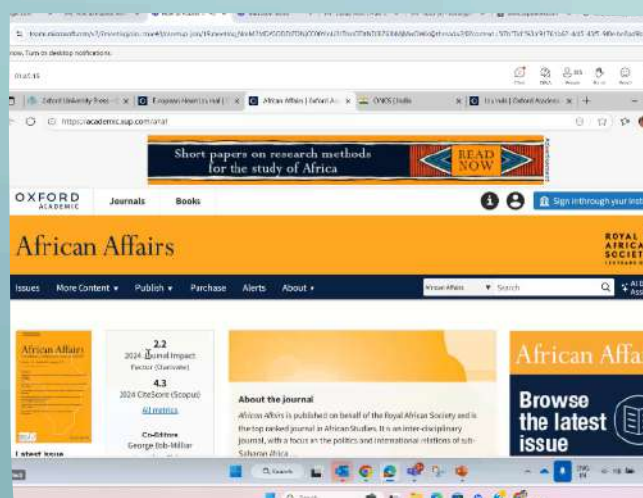

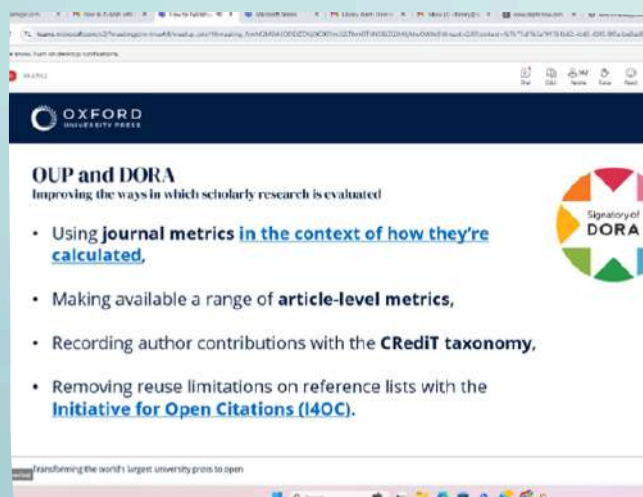

Library Sphere

Workshop on “How to Publish with Oxford Journals”

The Central Library, in collaboration with Oxford University Press (OUP), organized a virtual workshop on “How to Publish with Oxford Journals” on August 19, 2025 (3:00 PM–4:30 PM) for students, researchers, and faculty. Led by Ms. Sumita Sen, Customer Training Manager, OUP, the session offered practical insights into manuscript preparation, journal selection, and the peer-review process. The library extends its gratitude to Oxford University Press and Ms. Sumita Sen for conducting this informative and engaging session on academic publishing.

Library Sphere

Training Session on “CAS SciFinder Discovery Platform”

The Central Library organized a user awareness session on “CAS SciFinder Discovery Platform” on the morning of August 21, 2025 (10:00 AM–12:30 PM) for students, faculty, and staff. Conducted by Mr. Milind Wagh, Principal Account Manager – Scientific Solutions, ACS International India Pvt. Ltd., the session introduced participants to the platform’s research features and demonstrated its applications in advancing scientific discovery. The event began with a welcome address by Dr. Rishi Tiwari, Librarian, and concluded with a vote of thanks by Dr. Sachin Katagi, Assistant Librarian. The Central Library extends its appreciation to Mr. Wagh for delivering an engaging and insightful session that enhanced awareness of digital research resources among the MNIT community.

Library Sphere

Webinar on “One Nation One Subscription – Explore. Engage. Excel: Unlocking Lippincott Resources for Research & Practice”

As part of the One Nation One Subscription (ONOS) initiative, Wolters Kluwer organized a webinar titled “Explore. Engage. Excel: Unlocking Lippincott Resources for Research & Practice” on August 22, 2025, from 3:00 to 4:00 PM for students, faculty, and staff of MNIT Jaipur. Held via the GoTo Platform, the session featured Ms. Ruchi Tushir, Mr. Rajeev Kumar, and Dr. Devika Madalli as resource persons. The training focused on effective use of Lippincott Williams & Wilkins (LWW) resources under ONOS, guiding participants on accessing and utilizing scholarly content for academic and research excellence. The Central Library extends its gratitude to Wolters Kluwer for conducting this informative and enriching session.

Inauguration of BIS Corner – “Standard Arena”

The Central Library, in collaboration with the Bureau of Indian Standards (BIS), inaugurated the “Standard Arena” on September 3, 2025—a dedicated BIS Corner aimed at promoting awareness of Indian Standards and quality assurance. The corner was inaugurated by Mr. Pramod Kumar Tiwari, Director General, BIS, and Prof. N. P. Padhy, Director, MNIT Jaipur. The Director commended the library team and Dr. Rishi Tiwari, Librarian, for this impactful initiative fostering standardisation and a culture of quality on campus.

Library Sphere

Online Training on “Discover More with Research Commons on Web of Science”

An online training session on “Discover More with Research Commons on Web of Science” was held on September 9, 2025, from 11:00 AM to 12:00 PM, conducted by Dr. Subhasree Nag, Strategic Customer Success Consultant, Clarivate. She provided a live demonstration of the new Research Commons database, highlighting how it expands research discovery through broader journal coverage and citation networks. The Central Library thanks Dr. Nag and Clarivate for organizing this enriching session for the MNIT community.

Hindi Book Exhibition during Hindi Week

During Hindi Week, from September 15-19, 2025, the Central Library, MNIT Jaipur, hosted a Hindi Book Exhibition featuring works across Science, Engineering, Humanities, Literature, and Religion. The exhibition drew enthusiastic participation from students, faculty, staff, and members of the Rajbhasha Committee, who appreciated the library's efforts in promoting Hindi language and literature.

Library Sphere

Library Sphere

Library Orientation for B.Arch. Students

The Central Library, in collaboration with the Department of Architecture and Planning, organized a Library Orientation for B.Arch. students on September 19, 2025, at the Library Seminar Hall. Conducted in four batches, the session included a guided tour of the library and a demonstration of the RFID self-check system. During the seminar session, Dr. Sachin Katagi, Assistant Librarian, introduced students to key library services, e-resources, and open-access tools. The library extends its gratitude to Prof. Rajeev Shringi, Head of Department, for his support in facilitating the program.

Wellness Corner

Stories That Heal

Cinema has a remarkable way of holding up a mirror to our hearts. This month, the Wellness Club invites you to reflect through two deeply moving films: *The Illegal* and *Homebound*. Both explore how hope can emerge from some of life's toughest personal and social struggles.

The Illegal (2021)

This award-winning drama follows Hassan, a young Indian student who travels to the US to pursue his dream of becoming a filmmaker, only to find himself trapped in the harsh realities of undocumented life. Forced to struggle in his studies and work long hours to survive, Hassan grapples with loneliness, guilt, and the erosion of his identity in an unfamiliar land. What makes *The Illegal* so powerful is its heartwarming and realistic portrayal of immigrant vulnerability, depicting the painful clash between ambition and survival. The story resonates with anyone who has ever felt lost while chasing a dream, reminding us of the quiet strength it takes to rebuild oneself from despair.

Homebound (2025)

The movie *Homebound* tells the story of two childhood friends, Chandan and Shoaib, fighting economic inequality and social prejudice in post-pandemic India. Against the backdrop of systemic injustice, the film explores friendship, belonging, and the ache of never truly feeling at home. The emotional depth of the movie lies in its honesty and empathy; in how it captures the subtleties of exclusion and dignity. It leaves you reflecting on compassion and the many meanings of “home,” both physical and emotional.

Both films remind us that wellness is more than just physical health; it's about feeling seen, heard, and connected. Each story celebrates resilience: how people rise from adversity by finding meaning, community, and hope.

If these themes speak to you, or if you're struggling to find your own sense of balance, reach out at coordinator.wellness@mnit.ac.in

■ दिव्य राष्ट्र

जल्दपुः। भारतीय राष्ट्रीय प्रौद्योगिकी संस्थान (एम्.एन.आई.टी.) जल्दपुः का विद्यार्थी परिसर सुदूरप्रान्त की देखरेखित की विद्यार्थी संस्था में, जल्दपुः, जल्दपुः संस्था में 79वां स्वतंत्रता दिवस परंपरा, स्वातंत्र्योत्सव अभियान और सुदूरप्रान्त की प्रति हाथों। स्वातंत्र्योत्सव की जीवन संस्था में स्थान हाथों। कार्यकर्ता की सुदूरप्रान्त विप्रेक्षक प्रो. एन. पी. पाद्री द्वारा सुदूरप्रान्त ध्वज के संस्थापन आरंभ। सुदूरप्रान्त। इस संस्थापन ध्वज-ध्वज, संस्थापन संस्था, कर्मचारी एवं उद्योगिक अभियानों द्वारा सुदूरप्रान्त गाथा रचनी। अपने संस्थापन में प्रो. पाद्री ने स्वतंत्रता प्राप्ति के बाद भारत की अत्यंत युवा का उल्लेख किया और देश के भविष्य को संस्थापन में एम्.एन.आई.टी. जैसे अग्रणी संस्थाओं की भूमिका पर प्रकाश डाला। उन्होंने संस्थापन को स्वतंत्र और हार्दिक परिसर बनाने की दिशा में हाल के प्रयासों का उल्लेख कर उनकी सहजता भी की, जिनमें कार्य प्रबंधन और नौकरशाही का उल्लेख के उपस्थान जैसे चल शामिल हैं। स्वातंत्र्योत्सव के प्रयासों संस्कृतिक कार्यकर्ता ने उद्भव की जीवन बना दिया। स्वातंत्र्योत्सव कार्यकर्ता की सुदूरप्रान्त परिसर पर स्थित सुदूरप्रान्त विद्यालय के विद्यार्थियों के उद्देश्यपूर्ण प्रश्न प्रश्नों से हुई, जिसकी उल्लेख और रे. बिपी प्रस्तुति ने भारत की समुद्र लोको पर परंपरा को संस्थापन की दिशा और उल्लेख को प्रथम स्वातंत्र्य प्राप्ति की। इसके बाद

संस्थान के विद्यार्थियों ने खिखि लोक नृत्य रंगीलों के माध्यम से एक सुन्दर और उत्साहपूर्ण प्रस्तुति प्रस्तुत की, जो एकमात्र नृत्यविधा को भावना का शक्तिशाली कार्यक्रम को इसी शृंखला में संस्थान के नृत्य कार्यक्रम द्वारा एक नुकुड-नकुड प्रस्तुति किया गया, जिसमें भाग के इतिहास को भी महत्वपूर्ण अर्थों को जोड़ते हुए प्रस्तुत किया गया। पहले भाग में संस्कृत सेनापति के सहित, गुड संस्कृत और बोलचाल को गायिक रूप से दर्शाया गया, जबकि दूसरे भाग में स्वयंभवा के बाद विज्ञान, आधुनिकता, शिक्षा और प्रौद्योगिकी के क्षेत्र में राष्ट्र को उत्पत्तिओं को प्रस्तुत किया गया। कार्यक्रम में समाप्त हुए संस्थान विद्यार्थियों द्वारा बनाई गई विविध रंगीलों के प्रतिभाशाली कार्यक्रम प्रस्तुति के समर्थन के लिए भाग लेने वाले

साथ ही परिसर में उपस्थित सभी आनु-गतों द्वारा एकत्रित वृक्ष-माध्यम का भावपूर्ण गायन किया गया, जिससे वृक्षों से सम्बन्धित संरक्षण प्रभावित होता है। एवं एकता के भाव परिपूर्ण हो जाता है। इस अवसर पर संस्थान के संकाय सदस्यगण, कर्मचारियों, विद्यार्थी और स्थानीय समुदाय के लोग बड़ी संख्या में उपस्थित रहे, जिससे यह आयोजन केवल परिसर का एकमात्र न होकर शहर और अरुण के समुद्र आसपास के प्रति समुदागीकृत प्रवृत्तता का प्रतीक बन गया। देहाभक्ति और उल्लास के इस सुंदर संगम के साथ, संस्थान का 7 वीं स्वंतंत्रता दिवस समारोह सफलतापूर्वक सम्पन्न हुआ।

यह यह विस्तार लाता कि सर्वोच्च अंक अर्जित करने के उपरान्त होने के साथ-साथ अनेक आने वाली पीढ़ियों के लिए एक जिम्मेदारी भी रहे, जिससे समाज और विज्ञान हमें एक साथ जानें।

Kulgeet

गालव ऋषि की तपोभूमि पर,
प्रौद्योगिकी ज्ञान का संगम ।
विश्वपटल पर आलोकित है,
भारतीय मेधा का परचम ॥
नवरचना के लिए समर्पित,
नूतन अभ्युत्थान ।
जय-जय मालवीय संस्थान ॥1॥

तकनीकी विद्या का साधक,
मानव मूल्यों का आराधक ।
यन्त्र, तन्त्र, अणु-कौशल शिक्षा,
वैज्ञानिक दृष्टि का वाहक ॥
अखिल विश्व हित शोध सर्जना,
भारत का प्रतिमान ।
जय-जय मालवीय संस्थान ॥३॥

ढूँढ़ाड़ी माटी का उत्सव,
बिखरा यहां गुलाबी वैभव
। भव्य भवन, पथ, जंतर-मंतर,
स्थापत्य, कलाएँ अभिनव ॥
अरावली की उपत्यका में,
ज्ञानोदय अभियान ।
जय-जय मालवीय संस्थान ॥2॥

जल, थल, अंतरिक्ष अवगाहन,
श्रम से शृंगारित हो जीवन ।
अमृतकाल के अग्रदूत हम,
करते नवयुग का आवाहन ॥
"योगः कर्मसु कौशलम्" का,
गूँज रहा जयगान ।
जय-जय मालवीय संस्थान ॥4॥
